

Products: 851003, 852002, 853002 & 853004 - Axle Keys
Serial Range: All rotisserie smokers currently supported.
Release Date: February 2018

Rotisserie Wheel and Sprocket/Gear Axle Keys

Various size keys are used to properly locate the rotisserie wheels and large sprocket or gear on the axle of rotisserie smokers. The keys are located on the axle by a keyway cut into the axle. When replacing an axle the keys are easily lost or damaged. The keys will now ship with the axles when a replacement axle is purchased. The keys will be in a small plastic bag wrapped around the axle.

Stock Code	Description
851003	1/2" x 1/2" x 3" Key Stock
